Big Plans, Time for Action

Get ready Cleveland, here comes WRUW. We're going to have you punching up "911" more often on your FM dial. WRUW is making a concerted effort to better meet your needs. Please write us or email us with your comments on the station. Within the next 18 months or so WRUW should sound much better. We're increasing our power from 1kW to 15kW! But to help fund this project, we're going to need your help. Please support our annual Telethon with a donation. From April 20-27, call us during your favorite show and donate whatever gift you feel is worthy of the non-commercial station that gives you programming you truly cannot find anywhere else.

Please send letters to the station care of the General Manager, or email to sml11@po.cwru.edu

Bittersweet Goodbye

After nearly two decades of bringing Cleveland the Blues, WRUW's legendary "Blues Annie" will be filing away the vinyl one last time. Help us wish her a warm, and sincere thank you for her years of service to both the Blues music scene and to the listening community.

We'll all miss you Annie.

more music, fewer hits 91.1 fm

General Manager's Letter

At some point during the week, everyone tunes to 91.1FM; this is the vision of WRUW. This is not your ordinary radio station. Most people aren't daring enough to listen to 91.1 for an entire day, where we switch formats 8, maybe 10 times. On traditional radio, you always know what to expect. On WRUW, you never know what's coming next-- until now. This is your Guide to the audio madness. We'd love for you to experiment and try out all of our formats on for size; to discover new music and cutting-edge programming. But we'd be satisfied even if you joined us just once a week for your favorite show, that you can find no where else, but on WRUW.--Scott Lieberman, GM
